The emails below are examples of phishing. Write down and explain any clues that tell you the emails are phishing.

**From: Jessica (fheut4y8938ytoiesduid@emailer.com)**

**Subject: Help!**

Hey,

I'm on Vacation and I'm not sure what I do! I got my wallet and fone stolen! Luckily I have my passport so I can make it on my flight this evening, but I don't know how I'll get to the airport.

Please I'm begging you, can you send \$300 to the Western Union closest to where I'm staying immediately! I promise I'll pay you back. All the details to wire the money are below. Just write back with your full name and the account numbers that you're sending the money from so I can be sure to get the money when I go pick it up.

Thank you so much you're a life savrr!  
Jesicca

**Subject: Final Notice**

Dear Valued Customer,

This is your Final Notice to settle the balance on your video streaming account. To settle your account, click the link to go to [settlemyaccount.com](http://settlemyaccount.com). There we have ask you to verify your identity and pay your balance in full. Be sure to providing your full name, address, and billing information. Failure to do so will result in closing your Video Streaming account and well as seizure of your assets as payment.

Be sure to take care of this matter urgently.

John- Head of Accounts
