

Ones & Zeros | The Binary System

Name: _____

Teacher: _____

Date: _____

Guide:

8s	4s	2s	1s
-----------	-----------	-----------	-----------

Example:

0	1	0	1	= 5
----------	----------	----------	----------	------------

Use the guide to decipher the following numbers.

1.

0	0	0	1	= _____
----------	----------	----------	----------	----------------

2.

1	0	1	0	= _____
----------	----------	----------	----------	----------------

Ones & Zeros | The Binary System

Name: _____

Teacher: _____

Date: _____

3.

1	1	1	0
----------	----------	----------	----------

 = _____

4.

0	0	0	0
----------	----------	----------	----------

 = _____

5.

1	0	0	0
----------	----------	----------	----------

 = _____

6. Create your own combination of binary numbers (ones and zeros).

_____	_____	_____	_____
-------	-------	-------	-------

 = _____
